CODEX, often referred to as the "unofficial" or "fan" re-release of the game, is one of the workarounds that will let you play MyCAREER without Activation. The CODEX patch will allow you to use the game without the normal server files. They're only

necessary for the server (This is why i named it as such), they're not always required for normal gameplay, but you can't play the single player campaign unless they're in place. In the normal version of MyCAREER, the game will automatically create a server for you as soon as it's downloaded. If you follow the steps, you should be able to avoid Activation and all of the problems that are associated with it. Step by Step Instructions. Install: Download and extract the files from the zip file. Copy the crack files to your steam 3da54e8ca3
