Elden Ring is a new fantasy action RPG game developed by and featuring artists from Square Enix. An epic story where time, space and fantasy collide. Featuring dynamic battles of player and enemy parties through real-time online interactions, Elden Ring stands out from the mainstream RPGs with new characters and scenarios created by renowned artists at Square Enix. Now available for pre-purchase on PlayStation 4, Xbox One, and Nintendo Switch. STORY Rise, Tarnished One day, a hero shall save a beautiful maiden from the clutches of a powerful witch. It has been a thousand years. In the lands between time and space, the hero, Tarnished, confronts the witch whose face is covered by a mask. But Tarnished's heart tells him that there is more at stake than the fate of this one individual. There is a terrible pact between the witch and the land of the dead. It is up to Tarnished, now an infamous member of a band of thieves known as the Losers, to fulfill the promise that they made to protect the lands between. There can be no turning back... ACTION Real-time combat system An action game through and through. In fighting against enemy parties through real-time interactions, you'll be able to unleash powerful combos as long as you keep up with the rhythm of the battle. A completely new action RPG core experience for both solo play and multiplayer. Unique online battle system A battle of blood and magic between two players, where the parties quickly change positions to deliver a stunning attack. Dynamic battles that change depending on the position Real-time battle system where the battle of players and enemies begins when the position changes, and ends when it returns to the initial position. Unprecedentedly dense online interaction A completely new action RPG core experience with numerous elements that are closely connected to the human heart through close interactions with other players. STORY Lands Between It is the future. It is the past. It is the present. The Lands Between is a world inhabited by both living creatures and monsters. It is a place of tragedy and suffering, filled with the weight of the past and the burden of the present. Weeds grow without end, and the atmosphere is thick with the history of life and death. The Lands Between is a world in which time is not a factor but a constant state, where

- September 26, 2018. Shanxer says: The most curious part is that, even though it shows a battle between 2 characters, the battles do not actually look like battles. They look like it's just 2 characters running over the landscape, switching places. Do note that it may be because of the camera, but it just looked slightly out of place to me, even for a middle-school game. - September 11, 2018. Shinchan says: The game looks good enough, but, given the description of being taken over by demonic evil spirits, it should not be showing as free. It's the common sense to assume a premium should be paid, but the game hasn't made that obvious (and many users claim that such premium is not necessary). At least in my opinion, it doesn't make sense to advertise the game free and later, after download, charge for the premium in some cases. Nevertheless, I believe the free version does not affect the game as much as what's advertised. - September 12, 2018. Bileer says: It's a free game, but I'm not sure whether it's a game that the developer makes at all. While I was browsing the Play Store, it suddenly came to my mind that the description of a game seems similar to the description of "Elven Ring, Tarnished", published by the developer. Furthermore, one day ago, the latest updates were published and it seemed that the link to the game from the description was updated. However, the developer hasn't published any information regarding what's going on for the game. The story is very vague, and I am curious about what is the content of the game. - September 11, 2018. H. A. FINE says: I can get the game to run and it looks like a legit game. The free version is definitely not a fable version. - September 11, 2018. Nordberg says: Even though the game is free, it actually charges an additional amount for the premium version. So make sure to look carefully before you charge. - September 11, 2018. Sci-Syn says: The game is in English. The story is quite vague. It doesn't make sense, but it bff6bb2d33

Features:

- **If you are tired of the same-old story, enjoy the standard RPG story. It is a basic fantasy story where the main character rises and becomes the better lord.**
- **If you like the action-adventure genre, challenge yourself with different game modes in Story Mode. Enjoy battle in Battle Mode and such familiar elements as Online Games.**
- **If you like to think and discuss the story of the system, enjoy the other modes containing various scenarios, like talking with NPC characters. Have you always wanted to be a lord? Why not build your own kingdom and rule it now?**
- **Your story begins in a dimly lit world. Using the power of the Elden Ring, my name is Elden Ring, and I want to take the land between the world and the sky.**
- **As you become more experienced as a Tarnished in the game world, new events and new jobs will come up.**
- **The game has over fifty quests, and you can enjoy earning experience points, opening up a great variety of weapons and items, as well as learning new and powerful skills.**
- **Character creation and adjustment is easy to enjoy.**
- **Explore the world as you see fit using an "open world" system. You can enjoy a wide range of variations regardless of classes.**
- **Completely different from a classic RPG, the action is spontaneous and you can do a variety of things**
- **Enjoy the combat just as you please and customize your weapons and armor your own way.**
- **Choose the desired weapon, armor, and some magic, such as the Hawk's.**
- **Craft weapons with experience points as you practice fighting. With these weapons you can use it to your heart's content**

-
- **The combat in the game is very different because you can freely attack and defend as you wish. There are several types of attacks and elemental attacks.**
 - **There are powerful defensive moves besides techniques**
