I will be a friend, I will be a loving, kind sister, I will be a helper, I will be a protector, I will be a confident, I will be a shoulder to cry on, I'll be your friend for life. Brad, I will love you. I will be your friend, I will help you, I will protect you, I will be your confident, I will be your therapist and your king. I will be your friend, I will be your friend for life. Love is beautiful, Love is real, Love is forever, Love is true, Layne and Brad. -CherishMe2010- No parents have been together for 42 years. Their love is pure. I think they love me, and I love them. But I understand better now why people only marry for the first time when they're in love. I want to be loved so that it fills me up and overflows. I want to be loved like that. I want to be loved for the rest of my life. Let the love this, I want this, I want this, I want this, Let me love it. I love the idea that Brad and Layne have a 3000th to keep being each other. I have a very limited amount of time to do the same with my own husband. I've been writing things down for a few years. I've seen it all as an act of control.
