Just Dance 2020 launched today on Nintendo Switch and Wii (yes, you read that correctly). Just Dance 2019 brings a new title of the number 1 franchise of music games. Hedgehog/Hh signaling pathway: targets in cancer therapy. Hedgehog/Hh signaling pathway is important for tumor development. It plays important roles in embryonic development as well as in stem cell fate decisions. In cancer, it regulates the self-renewal of undifferentiated cells and tumor cell survival and invasion. Hh pathway is also involved in the maintenance of stemness in cancer cells. In the Hh signaling pathway, the pathway components and their targets are now being identified. Clinically used cancer drugs can target downstream components of Hh signaling pathway, which are potential targets for new cancer therapy. (CNN) - President Barack Obama outlined an economic message in Cleveland on Thursday that had a heavy focus on job creation. Obama, who will spend the next two days on the campaign trail, met with business leaders before delivering remarks at Cleveland State University's Severance Hall. Follow @politicalticker Follow @CNNSoundbite "We've got to go after tax breaks for those who don't need them," he said in a brief press conference following his speech. "We need to make sure that we stop rewarding those who are not creating wealth. You know, that's not creating jobs. That's not creating the American Dream." Follow @politicalticker When asked about evidence that social welfare programs can work, Obama said people in his own campaign have seen the success in the communities that have implemented them. "Look at the economy in places like South Side Chicago," he said. But Obama also called for an overhaul of Washington, saying that his own administration has tried to fix the biggest problem facing the country by making business more efficient. "The problem we have is in Washington," he said. "We have been working to actually improve the business climate in this country in a way that actually creates a lot more jobs for middle-class Americans." Follow @politicalticker He also appeared optimistic that health care reform will be able to pass during the lame-duck session of Congress, noting that a "bipartisan, comprehensive" plan has been worked on for the last four years. "We are confident that we can get this job done," he said. Follow @politicalticker Obama also called on Republicans to work with Democrats on climate change, saying
