Update: FIFA 22 Early Access begins Wednesday, March 21 Playing FIFA 19 or FIFA 18 on Xbox One? You can still get the full experience in early access for FIFA 22 for 24 hours. You can get FIFA 22 on PS4 and Switch now, or later this week. PS4 Pro and Xbox One X owners will get the early access and opportunity to play the game on a range of platforms from Wednesday, March 21. For those interested in the FIFA series past, present and future, here's an in-depth look at how the new gameplay will change on consoles, and where you'll be able to download it. Where to Play While most FIFA gameplay will be available on PC, FIFA 22 will also be available on PS4, Xbox One, Xbox One S and the PS4 Pro. The PS4 version is exclusive to the platforms and will include features like a brand new PES-like camera angle called the Overhead view and the option to play in-engine. FIFA 22 Xbox One version will also have a new ball physics system, as well as a host of new animation tech that will make the players look smoother and more realistic. Game Modes What The World Series really needed was a must-win scenario. It has one, with the entire series on the line. See the full FIFA 22 Review - As it Happened. In "classic" FIFA game modes, all players can be used in all game modes. The Community Seasons mode and Ultimate Team mode still allow players to play with team-specific gamers and squads. There's also a new mode called Franchise mode that combines classic FIFA gameplay with its Seasons and Community modes. Franchise mode lets you create your own story, complete with a unique presentation and full customization of all the game modes

Every day, millions of fans all around the world play football and chase trophies on FIFA Online 3: FIFA, EA SPORTS FIFA, FIFA 20, FIFA 19, FIFA 18, FIFA 17, FIFA 16, and FIFA 15. And every day fans of all the top leagues play their favourite teams in the FIFA team games. The FIFA series is played and enjoyed by millions of football fans around the world every day on a variety of platforms like PS3®, PS4®/XBOX ONE®, PC and Mobile. FIFA Online 3 has been the official video game of the FIFA series since 1999 and is the most popular online FIFA. Following the integration of FIFA Ultimate Team into FIFA 19 and Ultimate Team in FIFA 20, FIFA Online 3 has reached a milestone unprecedented for any soccer game: it has more players than real FIFA competitions in over 100 countries around the world. FIFA Online 3's global community now exceeds 6.5 million registered users, representing players in more than 185 different countries. FIFA ULTIMATE TEAM FIFA ULTIMATE TEAM is a unique online team sport that is free to play for 24 hours, seven days a week. A 'Day Out' subscription is also available, which gives you unlimited access to FIFA Ultimate Team – including packs, members and upcoming content. FIFA Ultimate Team has now been brought to the FIFA Online 3 engine, opening up the door for cross play, even on mobile devices. FIFA Online 3 includes the new EA SPORTS Football Club, an online team competition where every day players in more than 20 leagues play as virtual clubs. Create and manage your own club, complete challenges and win customised rewards. Earn virtual football rewards and compete in authentic-looking matches against other football clubs in Europe, North America and South America. MAKE AN IMPACT In FIFA the rules of the game have been put in place by the rules committee. These rules dictate all aspects of the game, including when a goal is scored, what teams are allowed to play each other and when fouls are committed. In FIFA Online 3, a new Player Impact Engine has been created to make making a difference on the pitch even more of a crucial part of the action. The Player Impact Engine works like this: in FIFA and every mode in FIFA Online 3, you have an active role in each match, from choosing your team to making important tactical decisions, all of which influence the outcome of the match. bc9d6d6daa

FIFA is the most popular football simulation in the world and EA SPORTS FIFA is your game. It's the only place where you truly get to experience the beauty and emotion of the world's favourite sport like never before. It has been voted 'The Most User-Friendly Football Game' year after year for over a decade. FIFA Player Types There are 9 unique player types you will control. Each type has a specific skill set and physical attributes. Which one you like depends on your gaming preference. 1. The 9s - Tough, aggressive, physical forwards. They love scoring goals and getting sent off. 2. The 10s - A mix of the classic striker and the modern wide player. They like to run at the defence and get on the end of the ball. 3. The 11s - Both efficient and elegant at both attacking and defending. They like to move the ball around the pitch and force opponents to make mistakes. 4. The 12s - The defensive heart of the team. There for the protection, they'll find themselves high up the pitch and work hard to stop your opponent from scoring. 5. The Black-and-Blues - They are tough, dedicated and occasionally explosive. They'll fight and tackle for the ball, get themselves sent off and can finish a move in a single move. 6. The Centre-Forwards - They will take on defenders and it's a joy to watch! They score and play well in the centre. 7. The Full-backs - The most stylish players in the world. They will score goals, pass you the ball and dribble the ball to goal. 8. The Wingers - They are quick and impetuous. They dribble past defenders and shoot from range and can cause chaos in the opposition area. 9. The Midfielders - They will fill you in on all of the game's strategy. But the best thing about these players is that you will be able to play your own unique style of the game by mixing and matching from the vast amount of gameplay options you have. Play Modes Soccer Challenges: A series of 3 matches on the road or at home against other top ranked clubs. An epic story: With cinematic sequences and dynamic gameplay, your journey will be driven by choices you make and the best footballers in the world all vying for the title of game-changer. Se
