05-21-2013, 04:41 PM Planning The University I just bought a new house in a different state, in a different area of the country. I was thinking of moving there. My only way of getting info or anything is by researching around a place or a state. Any suggestions would be great. -Procrastinator elee0720 Post subject: Re: Planning The University Posted: Thu May 24, 2014 6:36 pm Joined: Fri Jan 06, 2014 7:27 pm Posts: 454 It sounds like you can't get the information you need to research and write about planning a college. You don't seem to have many options, but maybe I'm missing something. _____ CCS Friends

But the problem is that I've been in contact with the housing department and they told me they gave me a list of 5 houses that fit my needs and I'm not sure what to do next. They didn't offer any help and it seems like all I can do is just search. Arvire wrote: There is always the option to just go somewhere. It's probably best that you live in the area where you think you want to get a house before you move there. Otherwise, you are no better than a nomad, being a wf and so on. _____ -Procrastinator tamanna Post subject: Re: Planning The University
