If you like the video explain just a little bit and give me a "Like" and a "Share". my website : Join us on Facebook: Twitter: L.A. Noire / L A Noire "L.A.Noire" is a first-person crime thriller video game developed by Team Bondi and published by Rockstar Games. It was released in November 2011 for Microsoft Windows platforms. An Xbox 360 version, developed by Team Bondi and published by Rockstar, was released in March 2012.An open-world detective game set in 1940s Los Angeles, the game depicts the investigation of a series of deaths in the city's Black Dahlia District. Around half of the game takes place in a police station, where the player may interrogate suspects and search for clues. "L.A.Noire" and its open world structure were influenced by the writing and filming of the 1949 film noir classic The Big Sleep. The game was created by a team of nine Team Bondi employees. L.A. Noire PC Features: A video game adaptation of a

classic movie noir and open world detective game set in 1940s Los Angeles. Players investigate a series of murders and interrogate suspects in a 1960s police interrogation room. Players discover clues and break rules to progress through the crime scenes. In "L.A. Noire" the player is an investigator who plays the first-person perspective in a crime scene. The player can point a microphone, flashlight or magnifying glass at objects in the room, examine clues, search for suspects c6a93da74d
