Genie Backup Manager Pro 9.0 Serial 15 EXCLUSIVE

Download

December 12, 2019 - Genie Backup Manager is a backup and restore software application for Windows 10. You can download and install it on your PC/desktop or laptop up to . If you have multiple backups created by Genie Backup Manager, you can choose what to do to restore to transfer the data to the original data storage (for example, to an external media or to another folder), or to restore existing data. Here's how it works: You can create multiple backups in a few minutes and then automatically restore them to another computer or restore them to an external hard drive.

Genie Backup Manager Pro 9.0 Serial 15
