---

Therapy is one of the most popular services offered today by many professional service providers and health professionals. Many therapists offer massage therapy as a complimentary service

---

to clients. If you have a private practice and wish to offer a complimentary massage service to your clientele, massage therapy may be an excellent service to supplement your

---

practice. Who is a  
qualified Massage  
Therapist?

Accreditation varies  
from state to state, but  
most massage  
therapists have a 2-4  
year degree in  
massage therapy and

---

have studied a minimum of 80 contact hours in the licensed practice of massage therapy. Although many professions offer certification in massage, the only state-regulated

---

profession to require 1 year of clinical practice before application for certification, licensure is massage therapy.

Massage therapists need to complete this year of practice in order to apply for

---

certification. What does it involve? Massage therapists complete an extensive exam in order to be able to treat clients under their scope of practice. The exam is subject to change from time to

---

time by the state. The  
exam c6a93da74d
