Jan 8, 2021 - Maths Watch provides your child with "extra lessons" in GCSE math. It covers all exam topics from first through ninth grade. It's a step ... Maths Watch provides your child with "extra lessons" in GCSE math. It covers all exam topics from first through ninth grade. It's a step up from the usual supplemental lessons, where you only get new assignments to fill in the gaps in your curriculum that already exist. Instead, Maths Watch focuses on helping your child better prepare for the exam. It covers all exam topics from first through ninth grade.
