the first volume of this book is the first book of the bible. it is the only book of the bible that has jesus christ as a character. his teachings are taken as the foundation for all other new testament books. he is also considered to be the founder of christianity, and the basis of the christian religion. 'power of god' is the second of two volumes in which john eldredge, former pastor of capitol hill baptist church in washington, d.c., has led us to an understanding of a new biblical faith that is based on the fullness of the word of god. we are to believe the bible, the holy bible, as an authoritative, inerrant, and infallible record of god's word. as a part of that, we are to believe that it is the only authoritative source of divine revelation and that no other writings in any part of the world can ever be considered authoritative, inerrant, or infallible. while the holy bible was not written in chronological order, it was nevertheless written over a period of time. as this biblical story unfolds, we will see how important the setting was to the writers. to demonstrate the importance of setting in the biblical story, the story of the
