Moral Masqwin has just begun to speak with police who have arrested a 30-year-old teaching assistant, Benjamin Richard Milland, over the alleged. I dont know why people use RAR for compressing files, but they do, especially if you are trying to download anything off of torrent sites.

Anyway, you dont have to purchase any software like WinRAR or anything like that because there are free programs that can open RAR files just fine. You can use WinRAR or 7zip to open.rar files. If you are downloading, or trying to upload any files to a host such as Rapidshare or Megaupload, you should check to see if your host permits the RAR extension. Otherwise you will have problems when trying to download the files and if you try to upload, you will get an error message. Ive always wanted to write a resource article on how to open files with different file extensions such as.wps,.prn,.mpp,.mdi,.rar,.psd,.pps,.sit,.nrg and lots more! Ive come across this issue myself many times usually because someone sent me a file and I have no idea which program opens it! 5ec8ef588b
