As far as our story goes, well we need to try and learn as much as we can about Wonder Woman and her back story. After that, we will end up constructing the best story we can to keep the fans interested. It would be a great change of pace to go to a character and lore that we dont know much about and make them the main focus of the game. Youll have to be a Gold member to download the game. The game is on Xbox Game Pass and costs \$19.99 per month or \$99.99 per year. Additionally, Wonder Woman costar, Gal Gadot will be featured in a short video at the beginning of the game. This video will be available on Google Play and YouTube and cost 99 cents. We may be able to download or stream Wonder Woman before 2019. Nothing has been made official. You may not be able to play the game at all and will be charged an amount for playing the game. Wonder Woman will launch on PlayStation 4, Xbox Series X, Xbox One and PC on June 27. Additionally, there is no concrete date for the release of the game. While it was announced that the game was coming to the Xbox Series X, we dont know if that will be in August or later. Theres no set release date for Wonder Woman as of yet, but we may get our hands on the game before 2019. The game has already made its way to Xbox Game Pass, and this will provide gamers the chance to pre-order the game. This should be available for download beginning June 24. The digital files are available on all Xbox Series X, X consoles, PC, and Xbox One X platforms. Digital pre-orders cost \$14.99. In just under 30 seconds, Monolith Productions shows off that Wonder Woman is a much different game from the 2017 film. We get a more up close and personal look at the gauntlets that the Amazon princess wears. The one in the game looks a lot like the one in the movie.
