## How To Become A Straight A Student Pdf \_TOP\_ Download

5. be disciplined. dont be in the library for ten days straight. or for the whole week, skipping meals. its important to get some rest when youre studying, and to eat balanced meals, so that youre not depleting your energy stores. you also dont need to skip meals. go for a meal in the evening and have a breakfast or lunch at some other time. i wish i had known this when i was in school and had studied less hours. i am not saying that to say i am a bad student. i would have been a better one if i had studied less and slept better. i feel that all the rules that are given are just common sense, it is just that its not enough to just follow them. your mind and your body should be given the proper attention. if you follow all these rules then you are sure to get straight as. i promise! a lot of people think that you have to be good at one thing to excel in that field. but, this is not true. you can be good at many things, but if you are not good at studying, then you will not be able to succeed. if you are a good student, you can be good at many things, but if you are not good at studying, then you will not be able to succeed. the major thing that contributes to a student succeeding is motivation. a person with a high motivation is far more likely to perform better than someone with a low motivation. its not about extra studying time, extra studying time doesnt lead to success, its the quality of time spent that matters. so, if you want to become a straight a student, you need to find a way to motivate yourself. i recommend that you put study time into your schedule as early as possible. make it a part of your day, so you wont have to force yourself to study. its a natural part of your day. in the morning, you wake up, shower, make your bed, and study. while youre doing this, youre brushing your teeth, doing your hair, and putting on your clothes. in the evening, you go out with your friends. if you have a study time, then youll have something to work towards, and that will increase your motivation. having a study time during the day will also keep you awake during the night, and you will study before you get to sleep, and the more time you spend studying, the more youll be able to sleep.
