So we had a fight the other day, and an [unshakable] Berserker was hiding behind a pillar. My Warlock summoned a ball of fire to scout the position, and to my surprise the Berserker didn't try to escape at all, it just stood there, completely unphased. Is it possible to deal damage to a creature you can't see while it's in your unshakable state? This came up to me when we didn't really think our scouting shaman was working. A: No, you cannot damage a creature you can't see In the Dungeon Master's Guide, page 140: While you're entangled in the web, you can't take actions or actions that 79a2804d6b
