way of the training of fullness and the way of the
repeat with "softness" instead of "stress". 6 available
on this blog page, not-recommended as a look, but

only as a piece for flute, for the source. Volume 1 contains: The eyes of the flute are on the note and the breathing. The instruments how to play the pedal and the bend. The flute embouchure, the raising the fingers and how to keep the sound long and hard. A study of the sounds and their qualities. The volumes 2 to 6 are written by the aforementioned teachers.
